How Much I Love Khloe Essay – 10/13/26

Khloe, I love you from the top of your head to the bottom of your feet. I love your beautiful eyes, beautiful smile, beautiful hair, and absolutely perfect face. From the tips of your feet to the top of your head I am glad to call you mine. You are beautiful in every way, and I adore every part of you. All your little imperfections are perfect to me and make me smile.

Your glowing personality lights up the room I'm in and leaves me more joyful than when I came. Your huge heart must weigh heavy because of how deep you love. Our cuddles mean so much me and make me love you even more. Our kisses deepen our bond and always leave me blushing and smiling. Even the taste of your lip-balm always keeps me thinking about you.

You are SO SO SO SO SOOOOO beautiful and special to me and deserve the world plus more. Words cannot capture your beauty and even though you might be a little bear I love you SO SO SOOOO much. I don't know why I can't get you out of my head, but I think it's because of how perfect you are. Every time I'm around you I am having so much fun and genuinely enjoying myself. It's your company that makes me happy. I am going to miss our long calls and late-night texts, but I promise as soon as I get back, we will do all those great things.

I wish I could hold you and cuddle you and kiss you right now. I miss you so so much. You deserve it all Khloe—the love, the happiness, the world itself. I love you endlessly. ❤️
